

# FLASHOVER SMOKE RECOGNITION TRAINING

## Information:

- We can train 10-12 FFs per Evolution; 4 evaluation per day; approx. 40-48 students per day. Each evaluation will experience 4-8 flashovers per Evolution (Depending on Conditions)
- A Competent Engine and Engineer with a Water Supply is required on Site
- Water/Gatorade are to be provided to all Students during Rehab along with a Tent/Classroom to discuss the training and conditions.

## How to Schedule:
